Need to dispose any out of date Medications?

Prescriptions and over-the-counter medicines can pose a risk to the environment when flushed down the toilet or thrown away and dumped in a landfill. In addition, prescription drug abuse is a growing issue for law enforcement. Removing these medications from homes can help curb abuse and avoid accidental ingestion by keeping drugs out of the reach of unintended users.

Simply take any unwanted medicines to the City of San Antonio mobile collection event on Saturday, 21 January between 8am and 1pm at San Antonio Solid Waste Department Bulky Waste Collection Center, 2755 Rigby Ave.

Medications are accepted at no charge and disposed of in a safe and legal way. Bring all pills dumped into a plastic baggie. Bring any liquids in their original container. No needles!

Be a good neighbor and pickup after your dog. There have been complaints to the association board.

City Code Reminder

"Pooper Scooper" law

A pet owner or keeper shall not walk his/her dogs without a leash restraint, and shall not guide or take animals onto the yards or driveways of property not owned, leased or occupied by the animal owner for the purpose of allowing the animal to defecate, but shall keep his/her animal in the public right-of-way, and shall carry a container and scooper for the sanitary removal of his/her animal's fecal matter from the public right-of-way.

OHP Pet Registry

Please contact Cindy Twitty, 496-3370 if you would like to register your pet or pets. If you would like to add their picture to the registry, email to ohp_news@hotmail.com and put pet registry in the subject line.

If you no longer have pets that you previously registered, please call to take them off the list

OHPNA Membership Drive is still underway

Now is the time to pull out the membership information sheet that you put away before the holidays and take the time to join the association. Your neighborhood rep will be happy to pick up your dues and your paper work.

Perimeter Fence Maintenance

If you live along the perimeter fence, take a minute to make sure your foliage and trees are not leaning on or damaging the fence.

Remember you, the property owner, own your section of the fence.

Thank you for helping to keep our neighborhood looking neat and attractive.

NEISD Superintendent Dr. Brian G. Gottardy hosts "Coffee Talks" around the district with parents and guests. The community is able ask questions about the District's current and future plans. The talks are held at 7:30am – 8:30am. The next two talks are: Madison High School, Wednesday, Feb 8 MacArthur High School, Wednesday March 22

Oak Hollow Park Neighborhood Association's

Pebbles

Greetings from the President, Ron Van Kirk

Happy New Year! Welcome to 2017 and the challenge to enter the correct date on your checks with the current year! At the annual January membership meeting for the Oak Hollow Park Neighborhood Association, the votes were tallied and your 2017 Board is now set. We welcome a new face this year – Rob Goodman on Forest Peak, and thank him for stepping up to assist with the month-to-month administration of the Association as we strive to continue fostering a positive neighborhood environment.

Congratulations to the winners of the Christmas lighting contest this year for helping to make the season merry and bright! We still have not decided on a Halloween lighting contest, as Halloween appears each year to grow almost into a season of it's own. If you think that would be a good idea, please let any of your Board members know. Your input is invaluable for all we do.

I am sure many of you lost some vegetation during the recent cold snap, as that 19-degree night and a second hard freeze night caught a lot of people by surprise. Hopefully not too much tender vegetation was caught outside. I found several of my plants had "melted", but some are already starting to show green leaves above the surface. Keep an eye on the forecast, it could yet happen again. After all it was 12 January 32 years ago when San Antonio received a 13-inch snowfall. It made for some memorable pictures, but came as a major surprise!

There are still many residents that have not yet joined the OHP Neighborhood Association and paid their \$30 ANNUAL dues. \$30 might get your own lawn cut once, but for that \$30 we get the entire perimeter cut all year – to keep the area looking good. It also funds the maintenance of the entrances, National Night Out and Christmas lighting contests, monthly newsletter and more. Please join your neighbors and the Association at a minimal annual cost, which is the lowest in town, and help maintain YOUR neighborhood and home values. You can call Sharon Harley (496-1736) to get a membership form. Every paid member will get a copy of the neighborhood directory as usual, so be sure you are included. Looking forward to a nice GREEN Spring this year! Once again, Happy NEW YEAR!

Rob Goodman

Here's a picture of our neighborhood carolers on the hay wagon getting ready to sing.

A big thank you to Ed and Julie Morgan for providing the wagon; to the Goodman family for providing their home for the party and Jim and Phyllis Beaver for helping provide refreshments! A good time was had by all!!
