NEISD No School  
Memorial Day  
Monday, May 29

Last Day for NEISD  
Thursday, June 1

Printed by UPS, Blanco and 1604

While summer is just around the corner, we have been able to enjoy a couple of delightful cold fronts that still made it this far, and took the temperatures down into the 50's in the mornings, and the humidity down sometimes into the 40% range - making it very nice. However, those fronts now get very rare. The heat and humidity are on the rise - so stay hydrated!

School for NEISD will be out on 1 June - so hopefully you have your summer plans made and reservations confirmed. With all the "end of school year" items to take care of, allow yourself adequate time to get it all done. Haste makes waste and we want to be sure everyone gets off to their summer vacations healthy and rested.

Following the City election, any required runoff election will be held on 8 June.

The hail storm from April, 2016 still has some unrepaired damage in our area. However, there are a lot of roofing company signs in yards. Please remember, per code, those advertising signs are allowed in the yards only during active work - tearing off the roof through installing the new one. If there are legal issues being addressed with the roofer, or the work has either not started, or has been completed, the signs need to be removed.

Fiesta has come and gone. A grand time was had by many. I hope you were among them.

Stock up on the sun screen and pace yourself on that summer tan. Cheers!

June and July Pebbles will not be delivered to your door. You will find them on the OHPNA website.

### Neighborhood Herb Garden

Many are wondering about the new garden project at 2618 Pebble Breeze. In a team effort including Tina & Todd Little who offered up their side yard, the hard work of OHP neighbors, and with donations from a new local non-profit *Horizons*, a community herb garden was established for the use of all OHP residents. There are future plans to have some community opportunities for pesto making, salsa cooking and sharing of best recipes that use herbs. In the meantime, please feel free to drop by and enjoy the garden. If you need a little, take a little! Many thanks to all those who helped engineer, excavate, and execute— your combined efforts made this project a reality!

If you are interested in helping with the garden or want more information, please contact Jennifer Goodman ([jrgoodman@mac.com](mailto:jrgoodman@mac.com) or 210-602-3344). All upcoming events will be posted on the OHP Facebook page & [Nextdoor.com](http://Nextdoor.com).

### Update on Oak Wilt!!!

Remember Don't prune oak trees until after June 30<sup>th</sup> to help prevent Oak Wilt. The City of Hollywood Park website has a lot of information on oak wilt. [Hollywoodpark-tx.gov](http://Hollywoodpark-tx.gov). When you do cut your Oaks remember to use pruning paint on the cut areas immediately.

### Senior Assistance Volunteers Needed

Do you have some spare time? Could you volunteer to help Senior Citizens? NESA (Northeast Senior Assistance) is a non-profit organization committed to providing personalized transportation services to enhance the quality of life and mobility of seniors in northeast San Antonio. Through the services of volunteers, NESA seeks to build a community of support that complements the efforts of families and helps fill the service gaps when traditional transit options do not accommodate them. For members, if there are any, are not always able to help seniors in our community. Seniors with fixed incomes, limited mobility, and sparse or no access to public transportation have a difficult time remaining independent and living at home. Our trained volunteers transport clients to routine medical appointments and will once a week personally shop and deliver groceries to seniors who are unable to drive to the store. If you choose to volunteer, you would enable NESA to continue to offer seniors free, personalized services to medical-related appointments. And who knows? Maybe some of these seniors are our own neighbors. If this is something you are interested in, please contact: LaJuana Hill Zanoni, Program Recruiter, NESA: 210-313-7137; [LaJuana.hill.neso@gmail.com](mailto:LaJuana.hill.neso@gmail.com).

As summer approaches boats  
and RVs will be brought into the  
neighborhood to be cleaned and  
supplied. Please be considerate  
of others as you park and ready  
them for your summer fun.

Brook Hollow Library has  
a summer reading program  
for your children.  
Check them out.

### Please take care of your pets.

The Nextdoor app is a great a tool for finding lost pets and looking for owners, but we encourage you to keep your pet in the OHP registry.

If you have not registered your pets with Cindy Twitty, please contact her at 496-3370.

We are very grateful to Cindy for helping lost pets find their way back home, but she is only here to facilitate that happening. She does not call animal control or approach a neighbor about the behavior of their pets, so please be a good neighbor and control your pets. We have had complaints of dogs barking through the night.

Please be sure to carry a bag with you so when your dog leaves a present in someone's yard you can take care of it.
