Greetings from the President, Ron Van Kirk

Election of your new Board of Directors for 2022 is this month. Find your ballot inside the newsletter, make your choices and mail it in to the address shown. It will be opened at the Annual General Membership meeting on 3 January, held at the District 10 Field Office, in the first floor meeting room, in the Catholic Life building on Loop 410. Your new Board of Directors will be announced at that meeting, as usual.

Very mild temps in the upper 70's encouraged many to get out early and get the Christmas lights up on the homes and shrubs. It already looked a lot like Christmas, way before the light judging on Wednesday 15 December. The Amazon, Fed EX and UPS trucks have been many and often. Hopefully the pandemic impact on the supply chain did not negatively affect you in securing your targeted gifts for the season.

Our membership drive continues through 31 December, with the addition of a chance to win a prize for being one of the members to join. See details inside. Since none of the Board members or Representatives can participate your chances are rather good. So mail in that membership form and check for a chance to win.

Just as a reminder, now until March is when SAWS tracks your water usage which sets the rate for your sewage charges next year. Use any irrigation sparingly to minimize that sewage charge on your 2022 SAWS bill.

Enjoy the season to the fullest. Keep an eye on the newest Omicron mutation of Covid and stay safe out there. Have a very Merry Christmas and a Very Happy New Year! Cheers!

**Hello neighbors,** I have been considering getting together with anyone that is interested in forming and joining two teams for our neighborhood.

The first being a Care Team whose goal will be to reach out to residents around us that need extra help so that we may offer our assistance to them. My ideas are possible yard work, running errands, picking up mail/newspapers and walking them to the door, etc.

The other being an Activities Team. I would love to see planned gatherings/outings/hikes/cul de sac game nights, and such.

For anyone interested in serving in either of those capacities, please reach out to me at [jacquickolartz@gmail.com](mailto:jacquickolartz@gmail.com) or by calling or texting me at 210-844-9772. I don't have all of the ideas narrowed down and I would love to hear some other thoughts and suggestions about it. I look forward to what we can come up with.

Please pick up after your dogs!!!  
There have many many complaints that some neighbors are not being responsible pet owners and allowing their dogs to go anywhere. Please Stop

# Happy Holidays

Silent Night, Holy Night  
WEDNESDAY, DEC. 15 AT 6:00 PM

Let's gather at 6 pm to carol to our neighbors. We will travel in cars in a caravan, getting out to sing Christmas carols to friends and neighbors!

For those of you who would like to join the carolers, please meet at the Goodman's, 15407 Forest Peak, at 6 pm, and we will caravan in cars (decorated if you like). Please bring a flashlight. Christmas music will be available. Participation is open to older adults, teens, tweens and children with parents. Depending on the weather, dress accordingly. Light refreshments will be served at the Goodman's following the caroling. You will definitely get in the "Christmas Spirit" after this special evening in Oak Hollow Park!!

Let's light up our neighborhood  
OHP Christmas Lighting Contest!  
December 15, winners will be in the January 2022 Pebbles

HIGH SCHOOL SENIORS  
It's not too late

### Street Light Update

The city has approved additional street lights for our neighborhood. They identified four (4) streets including Pebble Bow, Pebble Breeze, Pebble Dawn and Pebble Valley. Residents in designated areas must accept and approve the new light. Eight houses in each area were designated. Not all residents in those areas agreed, therefore CPS will only move forward on the Pebble Breeze location for further investigation of needs and wants of the neighbors.
