**DISCUSSED LAST MEETING:**

- We discussed the menu for National Night Out (pizza, hotdogs, chips and drinks). We've spoken with the Red Cross about bringing out an emergency vehicle.
- We've received one quote for the masonry/brick repair at the Jones-Maltsberger entrance. We have another contractor coming this week.
- The Resident's Directory should be going out late this month/early next month. Street Reps have been contacted to confirm the data for their streets.
- Want to know more about your neighborhood? Meeting minutes, as well as a PDF version of the Pebbles, are always available at [www.oakhollowpark.org](http://www.oakhollowpark.org). Click on Resources and then 2023 Archived Files.

**UP FOR DISCUSSION NEXT TIME:** National Night Out planning, Repair of Jones-Maltsberger entrance, Resident's Directory, 2024 Membership Drive and more!

**OUR NEXT MEETING** will be on **MONDAY, September 11th, 7 P.M.** at our neighborhood Pizza Hut (right outside the Jones-Maltsberger entrance). Or you can always watch on Facebook Live!

**LES BESETSNY**

A longtime resident of Oak Hollow Park, Les is located on Forest Spur. You can easily find his house around Christmas

time as he regales us each year with his BEAUTIFUL and festive decorations. Active in our community, Les

served on the neighborhood association for many years, spearheading our annual garage sales, while also participating in our perimeter cleanups and National Night Out. Always out and about with his dogs, if you see him give him a hello and thank you!

## YARD OF THE MONTH

## PERIMETER MAINTENANCE/OAK WILT

Currently there are a lot of tree limbs overgrown and hanging over the perimeter fence. If you have the perimeter wall in your backyard, be sure to cut the overhanging tree limbs and bushes away from the wall. This helps minimize damage to the wall and improves access for our mowers.

Experts recommend that Oak trees only be cut or trimmed from July 1st through January 31st. Avoid pruning oak trees between February 1st through June 30th when the Oak Wilt fungus is most active. All cuts and wounds on Oak trees should be painted within 30 mins.

According to City Tree Ordinance, property owners should make sure all overhanging limbs are trimmed 14 feet clearance over the street and 8 feet over the sidewalks, debris is removed, and trees and shrubs are not blocking access to the sidewalks and streets.

— Virginia Lukefahr/Kevin Jernigan

## HOLD YOUR HORSES!

Even though the posted speed limit is 30 mph, please remember that is the MAXIMUM. With kids starting school, and deer grazing in our yards, please be considerate of your neighbors and slow down.

— Kevin Jernigan
