San Antonio Neighbors Together, known nationally as National Night Out, is coming up Tuesday, October 3th! The location will be the Pebble Dawn/Pebble Den cul-de-sac. It will start at 6 P.M.

In February of 2020, the SAPD announced it would explore the creation of an annual event that would serve as a transition from the city's participation in National Night Out. From those efforts came the San Antonio Neighbors Together event, which is focused on fostering local police/community relationships, connecting neighborhoods with key city departments, crime prevention tips and the opportunity to get more involved in their neighborhoods and community. The event is aimed at promoting year round community involvement.

So come on out for free hotdogs and pizza. There will be music, giveaways, a drawing for free prizes, and a bouncy castle for the kids! And most importantly, YOU CAN MEET YOUR NEIGHBORS!

DISCUSSED LAST MEETING:

- We discussed the upcoming Garage Sale. Signs have been posted at both entrances and it will be advertised on Facebook and Next Door.
- The directories are being printed and will be at members' doorsteps in the next couple of weeks.
- We went through the checklist for Neighbors Together. The menu will be hotdogs, pizza, chips, cookies and drinks. SAPD, SAFD and American Red Cross have RSVPed (duty permitting). There will be fun for the kids: bouncy castle, popcorn machine, corn hole, ring toss and face painting, as well as vendors for the adults: "Damsels in Distress," a juvenile diabetes awareness table, plus a jewelry table. We will have live entertainment: OHP resident Ms. Kady Baumgartel will be singing. There will also be door prizes every 30 minutes (must be present to win). We should have enough tables and chairs, but if you plan on staying a while, bring a folding chair with you.

- Want to know more about your neighborhood? Meeting minutes, as well as a PDF version of the Pebbles, are always available at www.oakhollowpark.org. Click on Resources and then 2023 Archived Files.

Oak Hollow Park NEIGHBORS OF THE MONTH

THE BENNETTS

Hello neighbors! We are the Bennetts. We have been part of the neighborhood for a little over a year. We love to travel, taste delicious food from "Texas Eats" along with the amazing food trucks all over San Antonio and surrounding areas (thank you neighborhood association for giving us the pleasure to try another amazing food truck).

We have a teenage daughter, and we love supporting her in all her school activities (water polo, band, etc.) Soon our family will be growing with one more little one that we cannot wait to meet! Our focus is family and respect!

(Continued on Page 2)

THE BENNETTS (Continued from Pg 1)

We moved into this neighborhood looking for our perfect, forever home for our family. Our family became even bigger with great neighbors that we now consider family which we can count on at any time and any day. We love you guys! We are here to support one another! We also love sports "Go Spurs Go!" Last but not least, Ephesians 4:32 "And be ye kind, one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you."

— Carlos & Cristina Bennett

OHPNA MEETING MINUTES

(Continued from Pg 1)

UP FOR DISCUSSION NEXT TIME: There will be no October meeting as we will be preparing for our Neighbors Together event.

OUR NEXT MEETING will be on MONDAY, November 6th, 7 P.M. at our neighborhood Pizza Hut (right outside the Jones-Maltsberger entrance). Or you can always watch on Facebook Live!

WATER FOR THE POSTMAN

Discovering that the local USPS no longer provided water for its' postal workers, OHPNA Treasurer Morgan Montalvo and Secretary Suzanne Baumgartel led the charge to provide cases of water for our local postal workers at Henderson Pass.

If you'd like to donate, you can drop off water at the home of Arnold and Heather Perez at 15302 Pebble Path and they'll get it where it needs to go (Arnold is a postal worker himself).

— Kevin Jernigan

The Opossum is able to withstand up to 80 Rattlesnake or Coral Snake bites. Thanks to him, there is an Antidote to poisonous snake venom. Please don't kill them! They don't get Rabies and they eat Ticks.. They're your friend ❤️
